Warren Arts Foundation, Inc. (WAFI) is a nonprofit agency with a mission to provide a wide range of arts education and presentation opportunities for all ages in Warren and surrounding counties through development of a comprehensive arts center. WAFI intends to transform our purchased building into a world-class center for the arts, focused on providing access to arts and art education for Warren and surrounding counties. The arts center will serve as part of the foundation of our community, a tourist destination and regional hub of cultural activities.
